

SWEEEX PRESS RELEASE

Sweex has exactly what you need to get absolutely everything out of your PC, PSP™, NDS™ Lite and Wii™. The Sweex gaming accessories line has been expanded with complete bundles and kits for the most frequently used platforms. To give you an inkling of our offer, below you'll find a small selection from our assortment.

Delft (The Netherlands), July 2009

The Sweex NDS™ Lite 17-in-1 Bundle has no less than 17 useful products. This bundle represents all you need as the proud owner of a NDS™ Lite. With the NDS™ Lite car adapter you can charge the NDS™ Lite on the road so that you can game on without interruptions. Use the NDS™ Lite stereo earphones so that others are not bothered by the sound. And when you finish gaming? Then you store your NDS™ Lite in the solid NDS™ Lite case. The bundle comes in the colors Black (GA700), Pink (GA701) and White (GA702)

The Sweex NDS™ Lite 17-in-1 Bundle Black consists of the following 17 products:

- NDS™ Lite Case
- NDS™ Lite Car adapter
- NDS™ Lite Docking station
- NDS™ Lite Stereo earphones
- NDS™ Lite Game card cases (3 pieces)
- NDS™ Lite Stylus (2 pieces)
- NDS™ Lite Screen protection sheets (4 pieces)
- NDS™ Lite Mini screen wipes (3 pieces)
- NDS™ Lite Wrist cord

ABOUT SWEEX

Sweex Europe BV (sweex.com) is a manufacturer of computer-related products and consumer electronics and a mature player in the European market. By focusing on the possible applications, the Sweex product range focuses on benefits for the user rather than the technology and offers a wide range of affordable quality-driven products with excellent margin opportunities, proper support and clear warranty conditions. Sweex employees serve customers throughout 45 European countries from its head office in Delft (the Netherlands) and a growing number of local offices.
