

# BEATS SOLO<sup>2</sup>

## LUXE

### EDITION

When superior style and performance is demanded, your headphone must deliver sound that's as smooth as its curves and as rich as its glossy finish. The Solo<sup>2</sup> Luxe Edition's brilliant luster and plush accents hit all the right notes demanded by music enthusiasts with supreme style. These luxurious headphones are available in 4 sleek color options: Blue, Red, Black and Silver.

#### FEEL A NEW KIND OF SOUND

Immerse yourself in an emotional experience. The Solo<sup>2</sup> has a more dynamic, wider range of sound, with a clarity that will bring you closer to what the artist intended you to hear. Regardless of what kind of music you're into, you will feel the higher fidelity sound in your Solo<sup>2</sup>.

#### CUSTOM COMFORT

Engineered for comfort. Starting at the center of the flexible headband, the frame of the headphone has been curved like never before, giving the Solo<sup>2</sup> a custom-fit feeling. The earcups have been ergonomically angled to complete this natural fit, with pivots for optimal comfort and sound delivery. Finally, the earcups' premium material helps dissipate heat and minimize sound leakage.

#### STREAMLINED DESIGN

Think luxury sports car. The Solo<sup>2</sup> boasts a streamlined aesthetic with fast flowing curves and no visible screws. Disciplined decisions in engineering and material selection have created a more durable headphone that is equipped for extended use. Easily foldable, this premium headphone is ready for your life on the go.

#### NO NEED TO REACH FOR YOUR DEVICE

Take control. With the color-matched RemoteTalk cable, you can change songs, adjust the volume and even take calls, without having to reach for your device. (Compatible with iOS devices. Functionality may vary by device.)
